Büsum, 04.05.2009

Dear Madame/Sir,
BlueBioTech GmbH is specialized in the production of high quality products from microalgae.

For monitoring of Diarrhetic Shellfish Poisoning (DSP) in seafood we offer the following standard materials (limited stocks):

Dinophysistoxin (DTX-1)

Purity >98% (LC/MS)

Price per unit (5µg DTX-1 / 1mL Methanol): 325.- EUR

Order No.: 10010

Additional transport costs of 15.-EUR will apply.

Place your order at: info@bluebiotech.de or Fax: 0049-4833-425-397

Best regards,

Dr. Sebastian Lippemeier
